TERM 2 CALENDAR

- Pirate Day—Friday, 10th June
- Queen’s Birthday—Monday, 13th June
- End of term 2—Friday, 24th June

Working Bee

Again I would like to congratulate the large group of parents and students that took part in our working bee. The grounds and improvements were so noticeable and provided a fantastic first impression to our prospective families on our open day.

Open Day

The school had more than ten families tour the school and six younger students joined in the morning activities in the classroom.

RRRRRRRR You ready for Pirate Day?

This Friday dress up and join us for a day full of ship board experiences. Do not forget to raid your treasure chest and dig up some gold to support kids with cancer. Yes even the meanest of pirates will donate. On the day we will be having a special nautical lunch but orders must be in by Wednesday.

Long Weekend

For those that are not aware next Monday is a public holiday and the school will be closed.

Role Models

Younger children look up to adults and often follow their examples. There is an amazing advertisement on television at the moment showing a child connected by strings to a driver. As the driver grabs the phone or tells off another driver the child behind is a puppet and repeats the action of the adult. Recently I have received a few complaints from parents regarding smoking near the entrance to the school. The question asked by one of these parents was are we setting a good example? The school encourages parents not to smoke for the 15 minutes during drop off and pick up times. If you must smoke during this time please smoke well away from the gates and preferably out of the sight of the students. Your cooperation would be greatly appreciated.

Grand Parents and Special Friends Day

On Wednesday the 22nd June the students will be inviting a special person to join them in the classroom. From 11.30 to 1.00. On the day the students will be sharing classroom activities and also serving morning tea.
