ACTING PRINCIPAL REPORT
Thank you to the students, staff and parents that I have met for making me very welcome at Darraweit Guim Primary School. I look forward to working closely with all students, families and community members over the next two terms.

WELCOME BACK
We welcome back Mrs Baker into the senior classroom this week. Mrs Baker is very glad to be back and working with the senior class.
Also, we welcome Brooke and her mother Yvonne to our school community.

READING LOGS
It has come to my attention that many students have misplaced their home reading diaries. This week I have ensured all students have diaries allowing them to document their home reading. To support all students make further progress with their reading, I encourage all families to spend some time listening to their child read each evening.

CAMP
The camp for our older students is quickly approaching. The camp is on Monday November 14th to Wednesday November 16th. Not all year 3 to 6 students have informed the school as to their intentions regarding the camp. It is important that any student that wishes to attend the camp inform the school by next Monday. Information relating to the camp will be sent home with next week’s newsletter.

SMALL JOBS AROUND SCHOOL
It would be appreciated if a small job could be completed around the school over the coming weeks. If you can help please speak to Jeanette or Andrew. Thanking you in advance.
⇒ Front and side entrance wooden school signs need sanded and repainted.

SUN SMART
All students are required to wear a sun smart hat while in the yard.
