**BOOK CLUB**
Issue 6 order forms have been distributed today. Please

**STUDENTS OF THE WEEK**
Shelby & Stephanie:
Both for their great attitude to learning.

Tahlia: For getting along and her cooperation in the playground.

**OLYMPIC DAY AT BOLINDA**
Just a reminder that our fun Olympic day has been changed from this Friday to Thursday because of the expected rain on Friday. Students have been requested to dress up in the colours of the country they have been given and wear suitable clothing for participating in sporting activities. The students will need to take their lunch and snacks for the day and plenty of drinks to keep hydrated. Students are requested to arrive at Bolinda Primary at 9.00 am and be collected at 3.30pm. We are looking forward to a great day with our friends from Bolinda.

**CANTEEN**
This Friday we are having party pies. Unfortunately we will not be accepting orders after today.

**CAMP**
We have had only two responses for our Senior Cluster Camp at Phillip Island in November. Expression of interests need to be returned to school no later than Friday, 2nd September.

We have not had any response to the Woorabinda Camp so we will not be registering.

**FAVOURITE BOOK CHARACTER DRESS UP DAY**
On Thursday, 25th August we will be dressing up as a favourite book character. We are looking forward to seeing what literature our students like and exploring these exciting characters.

**IN THE CLASS**
For literature both classes have been exploring procedural writing. Students have been exploring the structure of this genre and have been writing down how to do some easy things. The older students will be thinking back to our Life Education Day for homework. They are asked to write down how to make a salad sandwich. We know they love to eat salad sandwiches and the challenge now is to write down how to make one. Our younger students need to read daily and complete their word and spelling tasks.

**ASSEMBLY**
Last week at assembly Tom shared his procedural writing about how to get ready for bed while Brianna and Stephanie explained about their leadership experience.

We will not be having an assembly this week because of our Olympic Day.

**LEADERSHIP**
Last Thursday our grade six students travelled to Broadford. The day focused on teamwork and looking to make selections that are fair to all.

**UPPER SCHOOL ELECTION**
The election for our grade 3,4 and 5 leader will be this Friday.

**FATHERS’ DAY STALL AND RAFFLE**
Father’s Day is quickly approaching and as usual we are looking for suitable donations for our stall. The stall will be on Thursday, 1st September. This year there is a raffle which will be drawn at the assembly on that day. Please return ticket stubs with payment as soon as possible.

**SUN SMART HATS**
Students will be required to wear Sun Smart hats from 1st September. All students were presented with a hat at the start of the year. New students will be presented with a school hat at the last assembly in August.

**TRANSITION**
On Thursday 1st September we will be having another transition day for our new students for 2017. This will also be a step up day for our grade two students. The session will run from 9.00am until 11.00am. Please invite any prospective students to come on the day.
