INDIVIDUAL LEARNING PLANS

Parents are requested to make a time to meet with class teachers to develop learning goals for students. Developing a strong school home relationship is vital in assisting our students reaching the full potential.

HEAD LICE

Students with head lice continue to create a concern. It is vital that all students are checked every week and treated when needed. To eradicate head lice we must all work together.

LOWER GRADE LEADERSHIP

On Monday our grade one and two students will have the opportunity to present for lower school leader. This position will be for the remainder of this term and for all of next term.

EDUCATION WEEK

To celebrate education week and our cultural theme parents, staff and students had a wonderful time sharing food. We had nachos, meatballs, spaghetti and lots more. It was enjoyable to sit down as a school and share a meal. It was also impressive to watch the great manners of our students. Thanks to all the parents that attended, sent food and assisted on the day.

HESKET AND DARRAWEIT GUIM SCHOOLS DANCE THE AFTERNOON AWAY

Staff and students from Hesket and Darraweit Guim Primary Schools joined together on Thursday 12th May to dance to the Billy Tea Bush Band. After a trying week with NAPLAN testing and the normal teaching program, Darraweit Guim students visited Hesket to join in with some entertaining and enjoyable bush dancing. After devouring a sausage sizzle lunch, all 53 students and 7 staff were ready to dance and sing the afternoon away. Mick from the Billy Tea Bush Band provided the music and instructions and the children and staff provided the laughter and energy. Students from both schools sang a number of songs and danced for an hour under Mick’s guidance. The staff from both schools joined in and shared the enjoyment. After the dancing and singing the Darraweit Guim students stayed on to enjoy a tabloid sports session with the Grade 2-6 Hesket students.
