A.N.Z.A.C. Day
In honour of our soldiers from the students will lead a commemorative ceremony this Friday at 9.00 am. The students would like to invite all parents and friends of the school to join us. Parents and friends are welcome to place a wreath during this ceremony. We will also have a display of poppies made by our local community last year.

School Council
The School Council will be meeting this evening at 7.00 p.m. There will also be a fundraising meeting prior to the council meeting at 6.30.

The School Council wishes to invite families and students to join them at the Wallan A.N.Z.A.C Day service. The service commences at 9.00. Our point of contacts, Bronwen and Anthony will be there from 8.30.

Student Numbers
The school is pleased to welcome Nash and Axel. Currently we have twenty five students attending.

Themes
This term both classes will be studying different cultures. A highlight of the theme will be a shared food day which is planned for Wednesday 18th May.

Notes
This week our foundation students were given screening notes for speech pathology and our grade six students were given notes regarding a puberty session with Trina Douglas. Notes should be returned promptly.

Mothers’ Day
Mothers’ Day is quickly approaching. The school will be holding a stall on Wednesday 6th May. Donations would be appreciated.

Physical Challenge
The Premiers’ Challenge ran over the school holidays so the school will run our own challenge over the next two weeks. Each day the school will be involved in at least twenty minutes of physical activity.

2017 Foundation Students
We are having many inquiries regarding enrolments for 2017. The first of our transition mornings will be Tuesday 21st May from 9.15 to 11.00. Please invite any perspective foundation students to join us on this day.

Naplan Testing
Naplan testing for grade three and five students across Victoria will commence on Tuesday 10th May and will conclude on Thursday 12th May.

Helping in the classroom
Children enjoy working with adults in the classroom and usually love sharing school experiences with their parents. Next Tuesday, directly after school, there will be a short introductory session on how parents can best assist in the classroom. Before assisting in class we would like all parents to have an understanding of the important role they can play.
