- **Queen’s Birthday**—Monday, 13th June
- **End of term 2**—Friday, 24th June

---

In the classroom we are working on improving student confidence and relationships through the ‘You Can Do It’ program. The program involves working through a series of keys. The first key is Getting Along. In the classroom we will be discussing friendships and ways to work with others.

**NEW LEADER**

On Monday many of our younger students presented to the school on why they would be a good school leader. It was impressive to watch our candidates as they confidently spoke to the whole school. Congratulations to Ava who will represent the students from Mrs Nixon’s classroom.

**INDIVIDUAL LEARNING PLANS**

If you have not yet made a time to meet with your class teacher to help develop learning goals please do so. It is important that parents work with students and the school.

**MONEY AND FORMS**

Please help us by placing permission notes and money in the blue box in the entrance foyer.

**WORKING BEE**

This Sunday commencing at 9.00am the parents will be having a working bee at the school followed by a sausage sizzle. So pack your tools (garden implements, brooms, weeders etc) and join us.

Some of the tasks to be tackled on the day include -

- Washing windows
- Preparing the front garden
- Moving the information sign to the carpark.
- Moving and repairing a table and seat
- Minor repairs to the front fence chain
- General tidying up

**TRANSITION**

Next Tuesday some possible foundation students will be visiting the school for a taster program from 9-15 to 11-00am. Please encourage any possible future student to attend. Visitors are welcome throughout the day.

**SEWING**

On Wednesday mornings before school Mrs. Baker has been working with some grade six students to sew a creative Australian setting.

**CANTEEN**

This week for canteen we will have fruit salad for 50 cents. Our leaders will be working with Danni to cut up the fruit.

**SCHOOL PHOTOS**

Our photos are this Friday. Spruce yourself up, put on a huge smile and be ready to shine for the camera. The company cannot give a time for our session because we are the third school on the schedule. Please make sure all forms are at school on Friday morning and we need to know if a family photograph is needed.

**STUDENT BANKING**

Our student banking is collected each Monday and usually returned by Wednesday. Please place all bank books in the blue box.

**HEADLICE**

We have not had any reports this week but it is important that parents continue to check and treat on a weekly basis. Please let us know if you have needed to treat your child. We must continue to work together on this issue.

---

**Students of the Week**

- Skylar: For great discussion in reading lesson
- Ava: For great work in Mathematics.
- Brianna: For getting along.
- Christine: For getting along.
