VALUE OF THE WEEK: CARING

THEY'RE OFF

This morning we waved farewell to our 11, very excited, senior grade students, who set off for their three days at Anglesea Recreation camp. They will arrive at camp at approximately 11.30am where they will begin with some getting to know you activities as a whole group. After lunch they will be split into their activity groups and begin the rotation of adventure activities. Each group will participate in skateboarding, mountain biking, fishing, the giant swing, Archery and Marine Discovery. I am looking forward to joining the crew tomorrow for the day.

CONCERT

The concert preparations are underway. We will be dedicating our Friday afternoons to practise and prepare the students. The junior grade will be asked to wear a Christmas themed t-shirt and dark pants/shorts and the senior grade are to wear a black t-shirt and black pants/shorts.

SLEEPOVER

Thankyou for the prompt return of Sleepover permission notes and money. There is a number of very excited students here eagerly awaiting Friday night. Just a small change to the program—the students will be sleeping in the bluestone building rather than the classroom. We thank Grant Cuthbert, who will join us for the sleepover, replacing Mr. Boxall.
