Saturday 2nd September—Working Bee

Saturday 16th September—150th

Wednesday 20th September—
Responsible Pet Education

Friday 22nd September—End of term

ACTING PRINCIPAL REPORT—CAROL BOOKER

BOOK WEEK WRAP UP

The hungry caterpillars at Darraweit Guim enjoyed a scrumptious lunch last Thursday as part of our book week celebrations. Thankyou to all parents who supported this activity and a huge thankyou to Bronwen and Dani for creating, plating and serving this lunch to the children.

We also had great fun parading in our favourite book characters. The students, teachers and parent (Karli) looked absolutely fantastic. It was wonderful to see many parents joining the students on Friday afternoon in the classroom for our buddies activity. We look forward to many more days like this.

SCHOLASTIC BOOKCLUB

Order forms have been distributed. Please return orders with correct payment by Friday, 8th September. Thank you.

Deegan: For great behaviour at the museum.
Amy: For practising her reading and spelling.

You Can Do It! Champion

Confidence

Shelby: For confidence in her reading.
Axel: For always giving everything a go.

'BAKERS DELIGHT'

The students in the 3-6 years were delighted to get involved in making finger buns with Anthony on Monday. It was a science, maths and English lesson all rolled into one. The students enjoyed learning about the effects of mixing certain ingredients together and following a recipe and process to create the yummy treat. A HUGE thankyou to Anthony who gave up his time to give the students this learning opportunity.

We are all looking forward to spending the day at Sovereign Hill on Friday. We will be leaving school at 8.00 am in the morning and will return to school at approximately 5.00 pm.

The students can bring **up to \$10** (no more) to spend at the souvenir shop (this is optional). Students will need to be responsible for their own money.

PARENT OPINION SURVEY EXTENDED—NOW CLOSSES 03/09/2017

If you haven't completed the PARENT OPINION SURVEY, we would appreciate it if you could do this. The time frame has been extended for another week. If you need the online instructions and information, please let me know and I will forward you the details.

Have a great week everyone.

Carol

WORKING BEE

Don't forget we have a working bee on this **Saturday, 2nd September.**

With the 150th celebrations (16th Sept) coming up there is a lot to do to have our school ready for the day.

STUDENT NEWS

JUNIORS:

We have been making presents for our fathers and special people. In Science we have been learning about plants and how they grow. Plants need sunlight and water. They suck in carbon dioxide and give out oxygen through their leaves. In maths we have been learning how to add and we played a game where if someone says a number, we have to say the numbers that add up the number. In writing we have been doing a recount about what we did on the weekend. It was really fun!

Happy birthday Charly.

SENIORS:

In inquiry we have been learning about Gadgets and Gizmos. We have to make one gadget and one gizmo. One example of a gizmo is 'Temmie Flakes' from the game Undertale. Another example of a gadget is a cup phone. In mathematics we have been put into three groups. We have been focussing on adding and subtracting fractions.

On Monday, Anthony came into make finger buns with us. We put our own frosting and 100's & 1000's on our buns. It tasted like the finger buns at Baker's Delight.
