

2015

Dear Parents,

From time to time newspaper or other media articles featuring students are published, sometimes with an accompanying photograph. These are usually local interest features to recognise achievements such as those of sporting teams or to highlight activities, which have enriched school programs.

If at any time during your child's enrolment at Darraweit Guim Primary School he or she is chosen to be photographed or filmed for possible publication we would like your consent for this to happen. In order to do this we ask that you complete the permission slip below and return it to the school.

Thank you.

Yours faithfully,

John Fryer
